		C8476	1 TRIGGER)		

1 Stored and reviewed as listed under Parts.
2 One per 3 major items or major fraction thereof mounted in combat vehicles; 1 per gun for ground use, train defense, or pack transport.

CREDITS AND ACKNOWLEDGEMENTS

Rock Island Arsenal Museum; Jodie Green Wesemann, who supplied all of the Ordnancedrawings, and Ordnance Publications quoted. Without Jo's generous help and unflinching patience, we would still be guessing about what happened and when it happened.
